POST PLACEMENT SUPPORT

OCTEC's Biz Support Wage Assistance provides your business with financial support to help you with the cost of employing staff. OCTEC understands that there are considerable costs involved in employing a new staff member, and our Biz Support Wage Assistance payments can be made at regular intervals throughout their employment.

In addition to OCTEC's Biz Support Wage Assistance, we also have access to other government-funded wage subsidy programs. These are dependent on the jobseeker's eligibility and the position in which they are employed. They include:

- DSS Wage Subsidy - \$1650 for their first 13 weeks of employment
- Restart Wage Subsidy - an initiative to support jobseekers aged 50 years or over; payments up to \$10,000 over 6 months
- Relocation Assistance
- Youth Bonus Wage Subsidy - an initiative to support jobseekers aged 15-21; payments up to \$10,000 over 6 months
- Indigenous Wage Subsidy - payments up to \$6500 over 6 months
- Long-Term Unemployed Subsidy - payments up to \$6500 over 6 months.

OCTEC can also support your business to host an unpaid internship placement for between 4 and 12 weeks. An internship can help you find out if a young person is the right fit for your company. You will receive a payment of \$1000 to help with the costs of hosting an intern, and the intern is covered by insurance purchased by the Australian Government.
